**2. Request for Documents**

A reply has been received from the Chief of the Document Division, OCR, in connection with a request for documents made by the Chief, School of International Communism. It would appear that, while the Chief of the Document Division is willing to cooperate with OTR to the fullest extent, his capabilities are such that he could not meet the OTR requirements except through the employment of additional personnel. C/SIC, having reviewed this reply, is attempting to make arrangements for acquiring the necessary documents through the DD/P division offices. If successful in this effort, the School of International Communism will levy no requirements on OCR for dissemination of raw information.
